

## WiCoM's Heritage

While WiCoM is governed the elected Board, we are guided spiritually by our May Queen and Green Man (and as of 1993, sometimes by our Fool/s). These offices are chosen by lottery from those within the church who are willing to serve the Gods and the People. This tradition is handed down to WiCoM from it's predecessor, Minnesota Church of the Wicca. In 1989, some of the MCoW members felt called to form a new entity; thus was formed the Wiccan Church of Minnesota.

## The May Couple/May Team

WiCoM has had an unbroken line of succession for our May Team since our origins in the Minnesota Church of the Wicca. As spritual advisors, they are also the representatives of the Goddess and God over the course of the year. As symbol of this, at each Beltaine ritual, the Goddess and God are drawn into the current May Couple and passed directly to the newly chosen May Couple. In 1993, a new office was added to acknowledge the free-form energies that do not associate with the male/female dichotomy.

Listed below are the holders of our Sacred Offices:
